SOURCE:

Available at the CIA Library is a photographic copy of a directive signed by the Minister for Machine Construction, Heinrich Rau, and addressed to the nationalized enterprises of his ministry. The directive states in no uncertain terms that the strictest economy must be practiced in every instance, from the purchase of paper and pencils to heating and lighting supplies. All major supplies, such as furniture, office equipment, etc., may no longer be purchased by the individual enterprises.

Attachment available at the CIA Library (1 document in German, 1 page)
